
INAUGURATION OF THE COMMONWEALTH OF THE PHILIPPINES

All stand at attention as the provincial band of the Philippine Constabulary plays the Philippine National Anthem, and as a nine-teen-gun salute booms a few mo-ments after President Manuel L. Quezon had taken the oath of of-fice. In the inaugural stand are Vice President John N. Garner, I'nited States High Commissioner Frank Murphy, Chief Justice Ra-mon Avanceiia, Secretary of War George II. Dern (partly hidden be-hind a battery of microphones), President Manuel L. Quezon, and Speaker Joseph W. Hyrns. Black-robed Justices of the Philippine Su-preme Court are at the left, and be-hind them are Congressional guests and members of (tie National As-sembly. Members of the Philippine Cabinet are at the right, and behind them are other distinguished guests.
